Our trimmers will cut most flexible materials up to the cut capacity. If you have a specific requirement and are not sure, please use our Free Material Compatibility Service: uksales@rotatrim.co.uk

Rotatrim was formed in 1966 with a vision to create the finest rotary trimmer ever; a philosophy and a passion that continues to this present day. Using only the finest quality materials and precision engineered components, each trimmer is hand assembled by skilled technicians to exact tolerances, to construct a precise, exceptionally reliable, ultra durable trimmer. Each machine goes through a process of stringent quality checks at manufacture and assembly to ensure you receive what you have come to expect... the world's finest rotary cutting equipment.

We want to ensure you select the correct product for your needs. Should you have any questions or require further information, please contact our Sales Team on +44 (0) 1234 22 45 45 or email: uksales@rotatrim.co.uk or visit www.rotatrim.com
