

## General Statement of Health and Safety Policy

Our policy is to provide and maintain safe and healthy working conditions, equipment and systems of work for all our employees, and to provide such information, instruction and training, as they need for this purpose.

Appropriate preventative and protective measures are, and will continue to be, implemented following the identification of work related hazards and assessment of the risks related to them.

We also accept our responsibility for Health and Safety of our visitors who may be affected by our activities. The allocation of duties for safety matter, the identity of competent persons appointed with particular responsibilities, and the arrangements made to implement this policy are set out in associated health and safety documents and records.

This policy will be kept up to date, to reflect changes in the nature or size of the business. To ensure this, the policy and its effectiveness will be reviewed annually.
